Toukley 2263  
Phone: (02) 43973111  
Mobile: 0412 279102

**May Meeting:** The May meeting will be held on the 3rd Sunday in May that is the 20th of May. Commencing June 2007 we will **resume** our normal meeting dates of the 2nd Sunday for the rest of this year.

**Annual Membership Subscriptions 2007/08:** Next years subscriptions are due to be paid by the 30<sup>th</sup> June. This gives you just six weeks to pay your \$10 per person annual fee's to Mike or Bill. If you will not be attending a meeting please post your renewal cheque to our Secretary Katie.

**Wheel Bearings and Spare Wheel Nuts:** Following our discussion at the March meeting on wheel bearings two of our members encountered problems. One found that he did not have a spanner/shifter large enough to fit the wheel bearing nut. The second member found one of his wheels had a seal problem and the bearing was nearly dry.

Mmmmmm interesting, may pay you to check.

**Check the Trip Sheet:** Members are requested to closely check the trip sheet at the end of the newsletter and confirm all your trips are listed correctly. **IF** it is incorrect please ring me ASAP. (Alice)

### **Sunday Meeting Dates**

The general meeting was briefed on the problems of holding general meetings on the 2nd Sunday of each month during 2007 and 2008. The 2<sup>nd</sup> Sunday conflicts with mothers day, fathers day and the June long weekend. The meeting was advised that the 3rd Sunday for 2008 was clear of such problems. **The general meeting resolved that commencing January 2008 the TLC will hold its general meetings on the 3rd Sunday of each month**

### **PA Sound System**

The general meeting was briefed on the need for a PA system for the club. It was suggested that a sound system would cost between \$1500 to \$2000. Resolved that the club proceed by investigating sizes and prices of a unit suitable to our needs. Don Gordon volunteered to investigate a PA system.

### **Inaugural Annual General Meeting**

The March general meeting resolved that the inaugural Annual General Meeting would be held in September each year. A list of Office and Committee of Management positions has been attached to the Presidents Notice Board.

**AGM Elections:** The club needs to fill all positions as listed. The current workload on just a few is a little too much. So please give thought to which position you would be able to assist our club.

### **Members Contact Information List**

The final list with member's Mobile phone numbers was displayed at the April meeting for members to peruse. Those members who do not want their names with mobile numbers circulated should contact Des prior to May meeting.

### **New Members Information Sheet**

A new members Information sheet was approved by the meeting this should go a long way towards assisting our new members and our new member greeters. The information paper will be progressively updated as required.

### **Membership Information and Rules**

The President tabled a draft Membership Information and Rules for members to consider. These rules to be developed by the Committee of Management prior to approval by a general meeting.

**Flags:** The C of M has purchased 100 small Australian flags, already fitted on a short timber dowel, that are just perfect for our caravans. We will have them on display at the next meeting.

**Membership Cards:** Following the March meeting Clarrie Stevens produced a final Membership Card. The cards were accepted by the meeting. Clarrie will bring 200 to the May meeting for members to sign then he will have them plasticized. They will cost approx 70c.

**Business Cards:** For those of us who hand out contact cards Bob Eastly has produced six samples of Contact Cards that members may wish to follow up on.

### **Hydraulic Jack Raffle:**

The Hydraulic Jack that was donated by 7th Street Caravans was drawn on Sunday and the winner was Bob Beesley.

### **Membership Numbers:**

The meeting was briefed that we currently have 93 vans registered. The C of M recommended that we leave the books open and review the club numbers at 125 vans **OR** after 12 months of operation that being the end of June

### **Trip Display Boards:**

The C of M has requested Clarrie Stevens to purchase an additional trip display board. Also to look at building suitable sturdy folding easel's to hold the current boards safely at about eye height.

**Gant Chart Trip Display;** As Act/Tour Director Clarrie produced a flow chart, all in color, showing the list of trips scheduled so far this year. This will make it easier for members in the forward planning of trips.

**Hats/Caps:** Well that was easy wasn't it. It appears that all members who wish to purchase a hat or cap have already placed their orders. Some of the hats looked real nice. The main feature or point being that the cap or hat band being embroidered with our club pelican and Tuggerah Lakes Caravanners.

**Name Badges:** Folks we have lots of new member so it is very important for all of us to wear our name badges at all events. So it may pay to leave yours in your car glove box.

**Parking of Caravan:** At the April meeting one of our members produced a small hand held radio that she purchased at Dick Smiths for \$19.99. It is a 40 channel unit and they use it when reversing their van (DSE 40 Channel Communicator D1800). They simply switch their car UHF and the portable to channel 40 and then it's a very simple process to safely reverse your van in first go???. Hey fellows it's also great if your wife is in the shopping centre and you need to speak. (Des has purchased one for me for safety in reversing)

**New Style Light:** Bunning's have a new light that appears to be very effective and is of the rechargeable type it also is \$19.99.

**Booking of Trips:** If a trip has a limited number of sites available say only 15 vans can go. Then the solution is to commence a 2nd list for say one/two weeks later. A good example is the Tasmanian Trip which can accommodate 10 vans only. The answer is to commence a second group starting say 3-5 days later. All the planning etc has already been done by Trevor & Sue Capps.

**Wheel Nuts:** One of our members purchased a new van and 9 months later he noticed two of the wheel nuts had snapped off. On taking the van in to have the wheel studs replaced the mechanic said one of your wheel bearings was cooked or nearly dry. Mmmmmmm a new van— broken studs — cooked bearings -- more food for thought.

**Murray river Trip:** Folks Des has booked 30 sites along the Murray River. At this stage he thinks all 29 members on the Trip Sheet have contacted the (5) parks and booked in. IF anyone else is interested in coming **along the Murray only** please ring Des and discuss

**Hartwood Trip Report.** Nearly everyone arrived on the Monday and we placed our vans in a wagon train circle. Hartwood is a property of about 1600 acre's so plenty of places to park. I think there were around 1000 caravans of all types in attendance. We prepared two pit camp fires located in the centre of our group. We had a water tap about 10M from the fire and the two flushing loo's about 100M away. We used our camp ovens to cook dinner most days over the fire. This was fun and very tasty to eat (but I must report we also have a La Carte Chef in our club Mr Ron Burnit Stewart). While the boys were out cutting wood a few of us walked up to the homestead about 3Klm away for a bit of exercise. Of course we had happy hour every day then after dinner we always returned to the campfire at 7pm where we were entertained by poems, jokes and a few more wines etc and had lots of laughs till around 10pm. One moonlight night Mike Wildman entertained us by sounds from his didgeridoos. He also explained the history and then let us all try to get sound but alas it is very difficult Brett Burrows was the best of us. Another night we had a "Fancy Dress Party" this was so hilarious we had "ghosts, a bag of trash, a women of the night, a bush bikini, a white superman and 2 cyclists of a type (the female could hardly fit into her hubbies

pants because parts kept showing). Ah well enough said about that night. When the guys went to Coola to play golf a bunch of the ladies who were suffering withdrawal symptoms went to town shopping. There were not many shops but we sure punished St Vinnies. We forgot to take our disc bowls so some of us played a game of Botchie. Every day we cooked about 4 dampers of different types in the camp oven. We were given lessons on how to do it then we all had a go. It was so much fun and so tasty eating damper such as date, sultanas, ham and cheese etc). On Easter Sunday the Easter Bunny who was dressed appropriately came out hopping with her basket of chocolate eggs. She visited every member and even went to the group adjacent to us it was just so lovely thanks Denise Burrows for being so thoughtful. The Saturday and Sunday were full on with country music at the homestead we enjoyed it thoroughly and many of us purchased a lot of CD's Thanks to all who went I know we had a wonderful time and can't wait till next year. There were just so many funny things which I cannot write about but are in our memories by for now *Betty Lambert*.

**TLC Meet and Greet:** We have had a poor response from the other clubs. This is very disappointing but no worries lets look to the positive. Firstly there will be no cost to the club for this weekend in fact the committee considers we will raise funds for our club Members will be entertained one night by a professional entertainer and the second evenings entertainment is currently being developed. Des said he is

certain members will appreciate and remember this as a night with a difference. Now that the other clubs have decided not to attend our meet and greet we need maximum support from our members to ensure the weekend is not a flop. *Des has requested that you please make the effort and come support our club.*

**Please Support Our Meet & Greet:** We ask members who cannot attend the full meet and greet weekend to attend and support your club on the Saturday only. We will supply morning and afternoon tea/coffee cakes, a dinner on the Saturday night and a professional entertainer that evening. The total cost being \$12.50 per person. The committee has also agreed not to hold our normal club raffle at the May meeting instead we will sell tickets in the Meet and Greet raffle which has three (3) excellent prizes.

**Additional Phone Contacts:**

<b>Ass.Tour/Director</b>	Clarrie	Stevens
