This year we hope to put on the “best ever”. The three course dinner will cost you \$25 each and the club will subsidise the remainder. So just put your name on the list and pay the Treasurer now

**\$20 Monthly Raffle Donation:** It appears that a few members have missed out on reading this section in the Newsletter so we have moved it to the third or fourth page. We started the raffle payment back in 2006 and we are progressing through in alphabetical order. Once we reach “Z” then we will go through again--but only listing those who missed out on the \$20 payment the first time around.

**Household Insurance:** A member said he had noticed a difference in his

household insurance premium and suggested that we check out the online quotes as there is a lot of money to be saved. (Saving up to 33%)

**Driving to Narrabeen:** Members have asked about driving to Narrabeen. Just travel down the Freeway and take the left-hand Exit near the end of the Freeway heading towards the Sydney Harbor Bridge. Travel down the Highway for 5.5Klm, but stay in the centre lane all the way. Watch out for speed cameras As you pass through Pymble you will see a large green sign saying -- Mona Vale Rd Turn Left 500 meters. Move into the left lane and turn into Mona Vale Rd. Travel along this road for 20klm until the very end THEN turn right towards Dee Why/Sydney sign. Travel towards Dee Why -Sydney for 2klm and you will see a Shell Service station on your left.

Just 100mtr pass the service station turn left into Lake Park Rd North Narrabeen then proceed to the Caravan Park. (Warning – as you pass the Bahi Temple on Mona Vale Rd you will see a sign to the right saying Powderwork's Rd Narrabeen DO NOT TURN AT THIS SIGN this road is very narrow and twisty for a caravan

**Club Cook Book:** Whilst at Sandbar a lot of cakes/biscuits appeared at morning/afternoon teas. Members suggested that we start a club recipe book. It is requested that people keep recipes simple, things that we can whip up without too much fuss. Sue Reilly has volunteered to put our recipe book together so anyone wishing to contribute please give your recipe to Sue or Cheryl Ducker who will pass them on to Sue for you. Please only tried and tested recipes.

**Members Recipe Book.** Thanks to the members who submitted their favorite's recipes for the Members Recipe Book. So far I have received ten recipes. The headings I am using are :-  
Mains – Cakes/Biscuits/Slices –  
Dips/Snacks – Desserts – Soups  
I look forward to receiving all your favorites to be included in the first edition. You can email or post them, whichever suits you, or you can give them to me at Narrabeen. Sue

**Photography Training Trip:** Charlie Steell is preparing a trip to the centre up and around Maree/Lake Eyre area early

next May. The trip duration will be 3 – 6 weeks in total. During the trip members will be given advice/suggestions on the correct use of our camera. This would not be off road but might involve a bit of gravel. So far (5) five people put their hands up and Charlie hopes to be able to tell us more shortly. If you are interested ring Charlie on 4358 8178

**Book & Pay Own Deposits:** Just a reminder to members that you are responsible for booking and paying your own deposits and or cancelling for all trips. The only exception to this is our Annual Narrabeen Rally where you pay all monies/deposits to the Treasurer.

**Names in Newsletter:** Following each general meeting I check the Trip Sheets on the Notice Boards for new names or cancellations. So once you put your name on the trip sheets on the board your name will be published or removed in the news letter.

**Monthly Raffles:** Members are again reminded that our monthly raffle contribution of \$20 works in alphabetical order. Your name will appear in the newsletter when your contribution is due. For those members who miss out in the first pass through the alphabet they will be picked up in the second pass.

**Insurance for Caravans:** Alan Howard spoke about taking out insurance through the Motor Home Association. Caravanners are able to join as associate members. You will need to

insure both your caravan and tow vehicle with them. He saved a considerable amount of money, if you are interested please see Alan Howard.

**Registering of Vans & Vehicles:** A member spoke about how to save money on the registration of your car and caravan. This is achieved by changing the names you register your caravan and vehicle in. It could be wise to check this out as there is money to be saved.

**\$\$\$ WARNING WARNING \$\$\$ Watch Out at Narrabeen:** A member writes "last year was our first year at the Narrabeen Rally and we ended up with a \$150 Speeding Infringement Notice in a 40km school zone. We were going to Warriewood Shopping Mall so we turned right into Pittwater Rd from Lake Park Rd. Just around the turn there is a speed camera and we had our photo taken in that section of road before the left hand turn to the shops..The camera and 40K area actually operate left and right from the lights. Update at least eight (8) members have received speeding fines at the same location

**Bedgerebong Report:** We left home early Monday 19<sup>th</sup> September, travelled up the Bells Line of Road, met Lorraine/Jim Holmes and Sue/Al Reilly at Macquarie Woods, a free camp between Bathurst & Orange. What a top spot to stay, toilets, fireplaces, plenty of firewood, a Heritage walk where the original house was built and wide open spaces.

Tuesday we went to Forbes, purchased some groceries and found our way 30 klms to Bedgerebong. The volunteers were very friendly and helpful, we set up the vans and had an early Happy Hour. Every morning they had Poets, Wednesday night Peter Horan played for the dance party, Saturday & Sunday was Country Music all day. Tom Maxwell, Peter Coad and his two sisters, Peter Horan were the main attractions. The local School children performed several songs on the most unusual musical instruments made from varying sized plastic piping, like a Xylophone. Three other vans arrived on the Thursday, Robin/Bill Rigger, Joy/Norm Moore and Helen/Max Eadie, they had several weeks down south and timed their return for the Festival. Joy was very excited to find some relatives living in the area, she went through the Cemetery and also saw her Grandparents photo in the 100+ yr old church. It was very hot and dusty and Allan was continually pushing to have the roadway watered by the fire truck, plenty of water available on site. Thursday we went into Forbes and visited the Mc Feeters Motor Museum, The son-in-law showed us around and was very entertaining in his dialogue. The display was one of the best we had seen, well worth the visit. We made friends with a fellow from the Forbes Mens Shed, he had some very interesting games & tricks and was only asking \$5 for them, I bought several, it's for a good cause and they stay in the van and I test everyone's patience.

Monday morning we all moved on, some travelled home slowly and we stayed in Forbes at the free camp on the river, about 20 vans there, a lot come from the Festival.

We then camped a few night on the Murray, visited the SPC factory in Shepparton and added more weight to the van, and met up with our daughter and family at Murray Bridge. Her three older boys were racing Moto X in the Australian Championships. By this time we had had a lot of rain and the track was a mud puddle, so imagine the fun they had. Very heart stopping for Grandparents. Several days of that and we moved onto Mildura for the Music Festival there. Saw a few concerts of our favourite artists and finally arrived home Saturday 8<sup>th</sup> October for Allan to watch the Bathurst Car Races in his favorite chair. A very enjoyable trip and we hope to go to Bedgerebong again next year. Beryl Howard xx

**Happy Hallidays:** Val Kinnell will show or train members in jewelry making whilst at Happy Hallidays. Ladies will need to put their names on the list at Narrabeen or at the November meeting.

**Full Width Mud Flap:** Interesting bit of information some bloke wrote and I now quote: "Early in the trip I had a full width mud/stone flap on the rear of my vehicle and one day I checked the pressure and the rear tyres had increased to 65 degree. So I took the flap off and they dropped 20 degrees straight away. So I never put the flap back and the tyres never got that hot again even on a day

of 45 degrees. I have also heard of differentials being cooked because of the wide flap impeding airflow through the underneath of the vehicle. Mmm something more to think about
