**Next Annual General Meeting &
General Meeting**

Sunday 20 November 2016

This is some information that was passed on to me and I thought some of our travellers may be interested.

Alf Larson/Lions Park Redevelopment Project - Miriam Vale – Gladstone Qld

The Project 2015-2016

Miriam Vale is the southern gateway to the Gladstone Region and continues to be a popular stop for travellers and transport providers.

The development of this open space will enable visitors to rest and enjoy the facilities and local culture in safety.

The redeveloped parkland is also designed as a venue for community events and family gatherings to be held within the grassed areas.

The proposed expansion of this area would include linking Tranquillity Walkway into the parkland development as a future stage of this project.

Construction is expected to begin in early 2016.

The Plan

The Concept Design, which was approved by Council in December 2013, incorporates the heritage elements that have identified Miriam Vale and its past history.

This will be enhanced through coordinated signage, renovation of built infrastructure and horticultural attention to the significant trees.

The railway station precinct will be enhanced and the war memorial elevated through the reinstatement of open grassed surrounds.

The design provides new structures including a travellers' comfort stop, community workshop and youth meeting centre near the existing CWA. The centralisation of these buildings will enable the sharing of essential services, and provide close access to expanded car parking and proposed open space areas.

Please go to <http://www.gladstone.qld.gov.au/miriam-vale-park-redevelopment> for further information and design of the park.

Our Little Trip

Rod and I met up with some friends from Melbourne to Ulladulla for 10 days. What a beautiful part of the coast this is. We stayed at Kings Point Retreat which was about 2 kilometres south of Ulladulla. This was a nice spot to stay as you were out of the hustle and bustle of the town, I suppose the only bad point was that sometimes you could hear the trucks going up and down the hill but it was not bad enough to interrupt your sleep. We visited Batemans Bay and had a beautiful lunch at the fish and chip shop right on the wharf and watched the staff feed the pelicans.

Whilst we were down this way we decided to visit Burrill Lakes, a place Rod used to go to with his family when they were young, boy has it changed. There is now a Big 4 Caravan Park with mini golf and in the afternoon they feed the lorikeets. Here are a couple of photos of some of them and the beautiful coast.

We had a great time and it was a great place to visit. We went to the Bowling Club and played Bingo and found out they had \$5.00 lunch deals which changed daily.

This was a great place to visit but it was also nice to come home and sleep in our own bed. Only a couple of weeks and we will be off to Tamworth to have some more fun.
